OBJECTIVE

To get teaching experience by interacting with students. My aim is to become a professor. So its my pathway to enrich my knowledge. Moreover, “Teaching doesn’t matter what that teacher understood. Teaching matters what she make others understood”. So my motive is to make my students to understand easily and enjoy mathematics with fresh mind. I ensure you that I will do my best.

DECLARATION

I hereby declare that all the above details are correct to the best of my knowledge. Thank you.
