Education

B. Sc. • DBRAU University, Agra

Jul 2016 - May 2019

Physics chemistry mathematics • Grade: 52.56

Education Details:

- B.ed from CCSU Meerut
- O level from NIELET
- CCC from NIELET

Narrative:

My pursuit of knowledge and passion for education led me to successfully obtain a B.ed degree from CCSU Meerut. This rigorous program equipped me with a comprehensive understanding of educational theories, instructional strategies, and pedagogical practices, empowering me to make a positive impact in the field of education.

In addition to my B.ed degree, I have also completed the O level and CCC courses from NIELET. These certifications further enhanced my technological proficiency and proficiency in computer applications, enabling me to utilize innovative digital tools and platforms to enhance student learning experiences.

Overall, my educational journey has instilled in me a deep commitment to lifelong learning and a strong foundation to effectively contribute to the academic growth and development of students.
