Advanced (C1)

Driven and innovative, I leveraged creativity and problem-solving at Fresher to develop impactful solutions, enhancing team efficiency. With a foundation in data entry and exceptional communication, I excel in fast-paced settings, inspiring teamwork and achieving organizational goals through effective planning and coordination.

Highly skilled physics professional with a Master's and Bachelor's degree in Physics, both awarded with First Class and Distinction. Proficient in problem-solving, data analysis, and scientific research, with hands-on experience in both theoretical and experimental physics. Fluent in Tamil, English, and Hindi, with excellent communication skills. A versatile individual with a passion for education, research, and technology, seeking to contribute to dynamic environments across academia, research institutions, or tech-driven industries.

Work History

Fresher

Fresher

- Demonstrated creativity and resourcefulness through the development of innovative solutions.
- Developed strong communication and organizational skills through working on group projects.
- Demonstrated strong organizational and time management skills while managing multiple projects.
- Worked effectively in fast-paced environments.
- Exercised leadership capabilities by successfully motivating and inspiring others.
- Acted as a team leader in group projects, delegating tasks and providing feedback.

Education

2024-05

Master Of Science: Physics

Womem's Christian College - Nagercoil

I hold a Master's degree in Physics with First Class and Distinction from a prestigious university in Tamil Nadu. My academic journey has equipped me with a deep understanding of core physics concepts, advanced problem-solving skills, and a strong foundation in both theoretical and experimental physics.

2022-05

Bachelor Of Science: Physics

Holy Cross College - Nagercoil

I hold a Bachelor's degree in Physics with First Class and Distinction from a reputed university. During my undergraduate studies, I developed a strong foundation in fundamental physics, gained practical experience through laboratory work, and honed my analytical and problem-solving skills.
